Whole school reward afternoon!

**This Thursday** as a reward for consistent good behaviour or improved behaviour, all classes will be participating in Life Be In It games on the oval run by LBIT. Each class will have a 30 minute slot consisting of earthball, parachute and colonial games. This will be followed by a treat on the top court.

Teachers have used behaviour data recorded on our data base to compare behaviour earlier in the year to more recently. Mrs. Richardson stated very clearly in an assembly that students had the chance to improve on any behaviour mistakes they had made in order to go to the whole school reward afternoon. If any students have not improved they will not be allowed to go and will work in a supervised classroom instead.

We are looking forward to seeing lots of excited students enjoying themselves this Thursday.

Sporting Opportunities

School is not just about classroom study. During the year we introduce the students to many outside activities as we prepare them for life outside school. This week we have had a major focus on different sporting opportunities available in our community. Today we have had the interschool cross country head off for the day to compete and we look forward to a full story next newsletter.

Mr Nicholas has also organised both rugby and soccer clinics this week.

---

Carpet Bowls

Earlier in the year we began our Friday activities sessions. These have proved a successful addition to our school life. One of the activities is carpet bowls. A couple of our students have discovered just how interesting this sport can be. On Saturday 19th May, Casey and Sam participated in the Southern Tasmanian Indoor Bias Bowls Junior Championships at Derwent /City Bowls Club.

Sam finished with a hard game to see him take the runner-up title. After an equally hard game where the last bowl gave her the title, Casey emerged as Champion. Well done to both of these students.

---

The Walking School Bus

Last Friday was National Walk to School Day. At a recent School Association meeting the group decided to sponsor this event. Groups of parents met our students at three locations and our walking buses travelled towards school. When the children arrived they were offered water and fresh apples provided through the School Association.

Have Fun, Make Junk Puppets!

**Grades 4, 5 and 6 students and families**

We are inviting children and family members from Grades 4, 5 and 6 to get involved in making Junk Puppets at school next term. This is an opportunity for parents/carers to spend one-on-one time at school with their children over a 6 week period and make Junk Puppets together. It is an opportunity to spend quality time with your child which can be hard to find at home, doing something enjoyable.

The program is run by Colony 47, Communities Supporting Families and is cost free. It will start next Term on Tuesday 24th July, in the afternoon between 1:30-2:45 in the Japanese room.

If you are interested in coming along please contact Mrs Kelly-Bounds or your class teacher.

---

Hurry as we can only take a maximum of eight families for the program! Depending on the interest shown for the program, we will be opening this up later in the year to families of grades P -3.
Congratulations to all the students that represented Bowen Road Primary in the 2012 Cross Country Carnival at Geilston Bay High School today.

### DATES TO REMEMBER

**MAY**

Grade 5/6 Camp Count Down 1 weeks to go!!
29th May - 31st May
